# CITY OF NEW ORLEANS EVACUATION

## CITY OF NEW ORLEANS EVACUATION CONTINUED

The city of New Orleans has a City –Assisted Evacuation Plan (CAEP) program designed to help people who have no means of evacuating on their own. Including the elderly and Special Needs citizens.

Call the City's 311 hotline or 1-877-286-6431 or 1-800-981-NOLA (TTY) for assistance or login into [www.nolaready.com](http://www.nolaready.com). Or text message NOLA4U.

The program uses Buses and Trains as the primary means of transportation.

## LESSONS LEARNED EVACUATION

- ★ Positioning of the USACE Emergency teams at the ACP (Vicksburg, MS ) and REOC (Port Allen, LA) should take place before the State or City evacuation begin. At least H-96 hours before landfall.
